

# I'm Through With Love

Etta Jones

I'm through with love, I'll never fall again  
Said adieu to love, don't ever call again  
For I must have you or no one  
And so I'm through with love

I've locked my heart, I'll keep my feelings there  
I have stocked my heart with icy Frigidaire  
For I'll need to care for no one  
Because I'm through with love

Why did you lead me to think you could care  
You didn't need me for you had your share  
Of slaves around you to hound you and swear  
With deep emotion, devotion to you

Goodbye to spring and all it meant to me  
It can never bring the thing that used to be  
For I must have you or no one  
And so I'm through with love

Why did you lead me to think you could care  
You didn't need me for you had your share  
Of slaves around you to hound you and swear  
With deep emotion, devotion to you

Goodbye to spring and all it meant to me  
It can never, never bring the thing that used to be  
For I must have you or no one  
And so I'm through with love
