I'm Through With Love

Etta Jones

I'm through with love, I'll never fall again Said adieu to love, don't ever call again For I must have you or no one And so I'm through with love

I've locked my heart, I'll keep my feelings there I have stocked my heart with icy Frigidaire For I'll need to care for no one Because I'm through with love

Why did you lead me to think you could care You didn't need me for you had your share Of slaves around you to hound you and swear With deep emotion, devotion to you

Goodbye to spring and all it meant to me
It can never bring the thing that used to be
For I must have you or no one
And so I'm through with love

Why did you lead me to think you could care You didn't need me for you had your share Of slaves around you to hound you and swear With deep emotion, devotion to you

Goodbye to spring and all it meant to me
It can never, never bring the thing that used to be
For I must have you or no one
And so I'm through with love
