

Look For The Silver Lining

Etta Jones

I look for the silver lining
Whenever clouds appear in the blue
Remember somewhere the sun is shining
And so the right thing for you to do is make it shine for you

A heart full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life

A heart full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life
