

My Heart Tells Me

Etta Jones

My heart tells me this is just a fling
Yet you say our love means everything
Do you mean what you are saying
Or is this a little game you're playing?

My heart tells me I will cry again
Lips that kiss like yours, could lie again
If I'm fool enough to see this through
Will I be sorry if I do?
Oh, should I believe my heart or you?

My heart tells me this is just a fling
Yet you say our love means everything
Do you mean what you are saying
Or is this a little game you're playing?

My heart tells me I will cry again
Lips that kiss like yours, could lie again
If I'm fool enough to see this through
Will I be sorry if I do?
Oh, should I believe my heart or you?
