

## My Heart Tells Me

Etta Jones

My heart tells me this is just a fling  
Yet you say our love means everything  
Do you mean what you are saying  
Or is this a little game you're playing?

My heart tells me I will cry again  
Lips that kiss like yours, could lie again  
If I'm fool enough to see this through  
Will I be sorry if I do?  
Oh, should I believe my heart or you?

My heart tells me this is just a fling  
Yet you say our love means everything  
Do you mean what you are saying  
Or is this a little game you're playing?

My heart tells me I will cry again  
Lips that kiss like yours, could lie again  
If I'm fool enough to see this through  
Will I be sorry if I do?  
Oh, should I believe my heart or you?
