Where Or When

Etta Jones

It seems we stood and talked like this before We looked at each other in the same way then But I can't remember where or when

The clothes you're wearing are the clothes you wore The smile you are smiling you were smiling then But I can't remember where or when

Some things that happened for the first time Seems to be happenin' again

And so it seems that we have met before And laughed before and loved before But who knows where or when

Some things that happened for the first time Oh, they seem to be happenin' again, oh, yes

And so it seems that we have met before
And laughed before and loved before
But who knows where or when
But who knows where or when
