

Estrellita

Eugenio Finardi

Hola Estrellita
Why you out so late?
Muchacha tan bonita
So what you doin' without a date?

It's a beautiful night
Ninguna nube in sight
Never seen it so bright
Please,
Come join my table for two
Won't you?
Soy solo también como tu

Ahi
Qué son estas lagrimitas ahora?
Ahi
Wipe those tears from your eyes
Senora

No need to tell me your problems
I got enough of my own
Since our showdown last Saturday night
I'm tryin' to survive all alone

Since you left me I've lost all my fight
Y no tengo nada q'hacer
Just sit here and toast to the good old days
And my Estrellita up there
