

## Dreamer

Europe

He is down by the riverside late one night  
He's trying to count the stars in each of the signs  
All alone by the riverside and time passes by  
Gathering thoughts of the past and maybe he'll cry

So they say he's a madman and they don't understand  
But I know that he's trying hard to act like a man  
All those years he has suffered, my friends, all those years of  
pain  
But I don't think he knows for sure if those years were in vain  
, no

He's a dreamer but he's fighting for his life  
He's trying to understand  
He's a dreamer but he wants to carry on  
And I know he's a lonely man, a lonely man

He is down by the riverside late one night  
He's trying to count the stars in each of the signs  
All alone by the riverside and time passes by  
Gathering thoughts of the past and maybe he'll cry

He's a dreamer but he's fighting for his life  
He's trying to understand  
He's a dreamer but he wants to carry on  
And I know he's a lonely man, a lonely man

He's a dreamer but he's fighting for his life  
He's trying to understand  
He's a dreamer but he wants to carry on  
And I know he's a lonely man

He's a dreamer but he's fighting for his life  
He's trying to understand  
He's a dreamer but he wants to carry on  
And I know he's a lonely man
