

# Gonna Get Ready

Europe

We're gonna get ready

Time to roll up the sleeves  
Get another grip  
Move on up, take the lead  
I'll be the captain of the ship  
'Cause I've been here before  
Learned the hardest way  
Now I've come back for more  
We're gonna get ready  
We're gonna get ready

All I've ever known  
Is take another swing  
I'm gonna bring it home  
Change everything  
All I've ever got  
Was the will to win  
We're gonna get ready

Sometimes you pay with your sweat  
Fighting back the tears  
Put in more than you get  
It seems you throw away the years  
Had my moments of doubt  
Well, I'm proud to say  
Don't go counting me out  
We're gonna get ready

All I've ever known  
Is take another swing  
I'm gonna bring it home  
Change everything  
All I've ever got  
Was the will to win  
We're gonna get ready

Oh, you can't be run by your fear  
That is one thing I've learned  
From growing up around here  
Oh, times you're barely getting by  
At the point of no return  
That's where I come alive

All I've ever known  
Is take another swing  
I'm gonna bring it home  
Change everything  
All I've ever got  
Was the will to win  
We're gonna get ready  
We're gonna get ready now
