

Got to Have Faith

Europe

The race is on
I'll find my way
Something has changed
Since I've been away

The fear is gone
And I can't wait
I feel the rush
Still got dues to pay

Well, I've had enough
Gonna stand up straight
And rebuild my life
Well, you gotta have faith

And it will be tough
Gonna fight each day
'Til I'm back on top
Well, you gotta have faith

Full speed ahead
I waste no time
Now I know how to live my life

I've been knocked down
I'm back around
It'll put some soul in this heart of mine

Well, I've had enough
Gonna stand up straight
And rebuild my life
Well, you gotta have faith

And it will be tough
Gonna fight each day
'Til I'm back on top
Well, you gotta have faith

I get the feeling
I can go that extra mile
I get the feeling
I can reach that open sky

I get the feeling
Things will never be the same
I get the feeling
That I can win again

Well, I've had enough
Gonna stand up straight
And rebuild my life
Well, you gotta have faith

And it will be tough
Gonna fight each day
'Til I'm back on top

Well, you gotta have faith
Well, you gotta have faith
Well, you gotta have faith
