

Haze

Europe

Been burning up for the Centuries
Leading me in the clear
My sweet escape for to which we're made
Watch the holy appear

Come in
Crawl in
Into a haze

Hey, hey, hey, hey

Open up a room deep inside my head
No worries or time
Just slow it down and you get there fast
Get into my mind

Come in
Crawl in
Into a haze

Hey, hey, hey, hey

Hey, hey, hey, hey
