

## Love to Love

Europe

Oh it's been too many times and I can't go back  
Night bars, guitars, rundown motels like shacks  
What it mounts up to I don't want it at all  
Lost you and I want you today

Misty green and blue  
Love to love to love you  
Misty green and blue  
Love to love to love you

To be something, to be near you  
Don't say that you'll never know  
Love to love to love you

Half the time it could seem funny  
The other half is just too sad  
This west bound moon's only rise and fall  
Lost you and I want you today

Misty green and blue  
Love to love to love you  
Misty green and blue  
Love to love to love you

To be something, to be near you  
I don't know where I'm goin' to  
I've tried and I need you to stay
