Never Say Die

Oh who took that shot Well I couldn't say, I was already down Oh who set me up Well I couldn't say cause I saw no one around

Now I'm lyin' here in desperation I had it all worked out Everything I hear is consolation I've got this feelin' you should never say die

In my fantasy There were days to come that I wanted so bad Someone sold me out then it all was done That dream was all that I had

Now I'm lyin' here in desperation...

Oh who took that shot...

Now I'm lyin' here in desperation...
