

## On the Loose

Europe

Running out on the streets  
He lives from day to day  
Looking for something to do  
He needs to get away.

Hoping that maybe one day  
He could be someone  
Praying that maybe someday  
He could be number one.

In his world of make believe  
He always tends to be

On the loose, so young, so tough, so wild

On the loose, again.

Dreaming, dreaming about  
All the things he'd like to do  
Trying, trying so hard  
To make it all up to you.
