

Wish I Could Believe

Europe

If you let me, I will
Pick up the remains
Of your day

If you let me, I will
Take a hold of your hand
Tell you that you're sane

You say, give me what you've got
Give me, what you've got
Show me what we're not
Must be a plan for the every man
Just give me what you can

'Cause I, wish I could believe in God
So I could move ahead
I know I can't believe in God
Time to move ahead, yeah, yeah

If you let me, I will
I will soften the blow
Of the forces that play

If you let me, I will
I will find some grace
In the modern day

You say, give me what you've got
Give me, what you've got
Show me what we're not
Must be a plan for the every man
Just give me what you can

'Cause I, wish I could believe in God
So I could move ahead
I know, I can't believe in God
Time to move ahead

'Cause I, wish I could believe in God
So I could move ahead
I know, I can't believe in God
Time to move ahead, yeah, yeah
