The King and Queen of America

Eurythmics

Well c'mon darlin'
The stars are burning bright
C'mon now darlin'
Our lick is good tonight 'Cause we're the all time winners
In the all time loser's game
Yea we're the all time winners
And here we go again

The king & queen of America...

Yea it's the king of nothing
And the queen of rage
With a pile of confusion
Upon a glittering stage
You know we never did anything
To make ourselves feel proud
You know we never did anything
So let's play it loud

Let's hear it for the - King & queen of America...

So c'mon darlin'
There's a big moon in the sky We're gonna build
A little satellite We're gonna make it fly...

We're gonna send it up to heaven All the way up to the stars And all of them aliens Are gonna find out Who we are -

We're talkin' 'bout the King & queen of America
