

# We Two Are One

Eurythmics

Don't ya worry if you're lonely baby  
I'm at your door...  
Put your trouble down  
Upon me baby  
That's what I'm for...

People like us  
Are too messed up  
To live in solitude  
I'm gonna cure that problem baby  
I'm gonna fix it good...

We two are one  
We two are one

Don't ya know I really love you baby  
And that is sure...  
All the groovy things  
About you baby  
Make me feel secure...

People like us  
Are strong enough  
To hold ourselves together  
Keep the sky from fallin' down  
Yea -  
We're gonna live forever...

We two are one  
We two are one

So put your lovin' arms  
Around me baby  
And hold me tight...  
Give it everything  
You've got now baby  
We'll get it right...

People like us  
Are too messed up  
To live in solitude  
I'm gonna cure that problem baby  
I'm gonna fix it good

We two are one  
We two are one
