

## Wide Eyed Girl

Eurythmics

She was a wide eyed girl  
In a purple dress  
She could have been good  
She could have been the best  
Shy little girl  
When it came to the test  
Wow oh...  
She was a cut above the rest.  
She was a wide eyed girl  
With teased up hair  
She could have had money  
But she didn't care  
She was looking for you daddy  
...Never there  
Looking for you daddy oh yea yea

Wide eyed girl

She was a wide eyed girl  
Of a tender age.  
Just moving out of her sensitive phase.  
She said  
"I love you baby it's for always  
And I don't care what the teacher says."  
When she walked out  
Through the streets of Rome.  
All of the Italians wanna take her home  
All the brown little babies  
With the slicked back hair  
Sayin' "Prima amore... wow!"

"I'm sayin' something  
Are ya listening to me?"  
"Don't you walk away when I'm  
Communicating with you!"  
"She's goin' clickin' clackin'  
Down the road in them high heeled shoes!"  
"Mona Lisa!!!"
