

# Dark End of the Street

Eva Cassidy

At the dark end of the street  
That's where we always meet  
Hiding in shadows where we don't belong  
Living in darkness to hide our wrong  
You and me at the dark end of the street  
You and me

I know time is gonna take its toll  
We have to pay for what we stole  
It's a sin and we know it's wrong  
Oh but our love keeps coming on strong  
Steal away to the dark end of the street  
You and me

They're gonna find us  
They're gonna find us  
They're gonna find us all some day  
You and me at the dark end of the street

They're gonna find us  
They're gonna find us  
They're gonna find us oh some day  
You and me at the dark end of the street

And when the daylight hour rolls round  
And by chance we're both downtown  
If we should meet then just walk on by  
Oh darling please please don't cry  
Tonight we'll meet  
At the dark end of the street  
Oh tonight we'll meet  
At the dark end of the street
