

# I Could Have Told You So

Eva Cassidy

I could have told you she'd hurt you  
Love you a while then desert you  
If only you'd asked I could have told you so

I could have saved you some crying  
I could have told you he was lying  
If only you'd asked I could have told you so

I see her there as I toss and turn and try to sleep  
I see him there making promises he'll never keep  
And soon it's over and done with  
Find someone new to have fun with  
If only you'd asked I could have told you so

I could have told you she'd hurt you  
Love you a while then desert you  
If only you'd asked I could have told you so

I could have saved you a whole lot of crying  
I could have told you he was lying  
If only you'd asked I could have told you so

I see her there as I toss and turn and try to sleep  
I see him there with promises he'll never keep  
And soon it's over and done with  
Find someone new to have fun with  
If only you'd asked I could have told you so

With all of my tears I could have told you so
