

# I Know You By Heart

Eva Cassidy

Midnights in winter  
The glowing fire  
Lights up your face in orange and gold  
I see your sweet smile  
Shine through the darkness  
Its line is etched in my memory  
So I'd know you by heart

Mornings in april  
Sharing the secrets  
We'd walk until the morning was gone  
We were like children  
Laughing for hours  
The joy you gave me  
Lives on and on  
'Cause I know you by heart

I still hear your voice  
On warm summer nights  
Whispering like the wind

ohhh, ohhhh, ohhhhh, ohhhh

You left in autumn  
The leaves were turning  
I walked down roads of orange and gold  
I saw your sweet smile  
I heard your laughter  
You're still here beside me  
Everyday  
'Cause I know you by heart  
'Cause I know you by heart
