## **True Colours**

**Eva Cassidy** 

You with the sad eyes Don't be discouraged Oh I realize It's hard to take courage In a world full of people You can lose sight of it all And the darkness there inside you Can make you feel so small But I see your true colors Shining through See your true colors And that's why I love you So don't be afraid to let them show Your true colors True colors are beautiful, Like a rainbow

Show me a smile then, Don't be unhappy, can't remember when I last saw you laugh If this world makes you crazy And you've taken all you can bear You call me up Because you know I'll be there

And I see your true colors Shining through See your true colors That's why I love you So don't be afraid to let them show Your true colors True colors are beautiful, Like a rainbow

Ohhhh I can't remember when I last saw you laugh If this world makes you crazy And you've taken all you can bear You call me up Because you know I'll be there

And I see your true colors Shining through See your true colors That's why I love you So don't be afraid to let them show Your true colors True colors are beautiful, Like a rainbow
