

# What A Wonderful World

Eva Cassidy

I see trees that are green, red roses too  
I watch them bloom for me and you  
And I think to myself, what a wonderful world

I hear babies cry, I watch them grow  
They'll learn much more, than I'll ever know  
And I think to myself, ohh what a wonderful world

The colours of the rainbow, so pretty in the sky  
Are also on the faces of the people passing by  
I see friends shaking hands, saying, "how do you do?"  
But they're really saying, "I love you"

I see trees that are green and red roses too  
I watch them bloom for me and you  
And I think to myself, oh what a wonderful world

The colours of the rainbow, so pretty in the sky  
Are also on the faces of the people passing by  
I see friends shaking hands, saying, "how do you do?"  
But they're really saying, "I love you"

I see trees that are green and red roses too  
I watch them bloom for me and you  
And I think to myself, oh what a wonderful world

I think to myself, ooh what a wonderful world
