

Ohh Na Na

Eva Simons

I'm a nice girl most of the time you can tell MY lady
What's got into me lately
I'm feeling sexy discovering how to hook you my beating
But I don't wanna dating oh

The base get hard and the beat go boom
Me and my girls up in this room
They stare when rockin trying to figure out when we are
Tell the bartent to fill my cup
Fellows in heat tryin to get unnut
You can move on but you get my love love

Tonight my ladies gonna excuse
Going up curtain getting absurd on
Fast on me that beat is... for you
Dancing upon me you want me
But you can touch my
Uh na na na na na
Uh na na na na na you can touch my
Uh na na na na you can touch my
Uh na na na na

Getting my drink on keep on staring
'Cause what I'm be wearing you know I love the attention
I need a black dress, heels on
I walk like a badd ass to beg you can have this

The base get hard and the beat go boom
Me and my girls up in this room
They stare when rockin trying to figure out when we are
Tell the bartent to fill my cup
Fellows in heat tryin to get unnut
You can move on but you get my love love

Tonight my ladies gonna excuse
Going up curtain getting absurd on
Fast on me that beat is... for you
Dancing upon me you want me
But you can touch my
Uh na na na na na
Uh na na na na na you can touch my
Uh na na na na you can touch my
Uh na na na na

Come on
Let me see you work it baby
No no no no no touching
No no no no no touching
Come on honey

Me on light slashing we're shaking our asses you know
If you came to party to show up your body let's go
Go go go go!

Oh baby...
Oh na na na na
Oh baby baby baby
