Hey, mister policeman
I don't want no trouble
I just wanna drop my jiggelin' down to the floor
Hey, mister policeman
Why you wanna holla at me?
I just wanna drop my jiggelin' down to the floor

No arrest badman mind ya bizz
No arrest badman mind ya bizz
No arresta baddaman mind ya business
Down to the floor

Bring 'em down

No arrest badman mind ya bizz
No arresta baddaman mind ya business

No arresta baddaman mind ya business?

Hey, mister policeman
Leave her alone
Mek she whine mash up the town
Look how she sexy, look how she round
give her the winning crown
Her body illegal, her whining illegal
Her style is so lethal, yeaaa
She ain't a regular kind a gyal
Ya! Yea! Yea!

Hey, mister policman
I don't want no trouble
I just wanna drop my jiggelin' down to the floor
Hey, mister policeman

So I hit the road and end up in a yardy party
Baby was moving like like a naughty shorty
Need discipline, she need discipline
Need to put her on a lockdown no visiting
Bring 'em down yea
Handcuffs maintain the connection
Dis baton is a rod of correction
Discipline, she need discipline
Need to put her on a lockdown no visiting

No arresta baddaman mind ya business
No arresta baddaman mind ya
Bring 'em down
No arresta baddaman mind ya business
No arresta baddaman mind ya
Bring 'em down
