

## A Decadent Puppet

Evadne

Real as the shadows to my nightmares  
You came to me as an angel of darkness  
And I am completely charmed for you  
You're my owner, I'm your slave  
The slave of your fantasies  
Into the dark maze of pain

I lost myself looking for your beautiful eyes  
I've forgotten my past and my future yearnings  
Here I am at the mercy of your will  
And my desires will be fulfilled with you tonight  
To be your puppet this night again

You are my world in darkness  
I am the pleasure for your flesh  
You are my worst obsession  
You're my owner I'm your... slave

And you'll see in my eyes fear, horror and desire  
And you'll understand that I'm for you  
I'm crazy to hear it  
How you with a whisper dominate me  
I'm hopeless to feel you again in my arms  
Cover me with pain  
Enslave me with the deepest whims of your mind  
Humble me, show me absence of mankind  
Mistreat me for the rest of this night

I am decadent puppet at the mercy of your will
