

Crazy For This Girl

Evan and Jaron

She rolls the window down
And she
Talks over the sound
Of the cars that pass us by
And I dont know why
But shes changed my mind

Chorus:

Would you look at her
She looks at me
Shes got me thinking about her constantly
But she dont know how I feel
And as she carries on without a doubt
I wonder if shes figured out
Im crazy for this girl

She was the one to hold me
The night
The sky fell down
And what was I thinking when
The world didnt end
Why didnt I know what I know now

Chorus

Right now
Face to face
All my fears
Pushed aside
And right now
Im ready to spend the rest of my life
With you

Chorus 2x
