

# A New Way to Bleed

Evanesence

Save your twisted enemy  
So you might earn forgiveness  
You know your whole world is waiting  
So why can't you speak?

I feel it coming over me  
I'm still a slave to these dreams  
Is this the end of everything?  
Or just a new way to bleed?

So go and tell all your friends  
That I'm a failure underneath  
If it makes you feel like a bigger man  
But it's my, my heart, my life  
That you're calling a lie  
I've played this game before  
And I can't take anymore

I feel it coming over me  
I'm still a slave to these dreams  
Is this the end of everything?  
Or just a new way to bleed?

By drifting far beyond the edge  
Freedom, freedom,  
Can't you feel the ground caving in?  
Freedom,  
Give us a reason to believe again

I feel it coming over me  
I'm still a slave to these dreams  
Is this the end of everything?  
Or just a new way to bleed?
