

# Anywhere

Evanesence

1. Dear my love, haven't you wanted to be with me  
And dear my love, haven't you longed to be free  
I can't keep pretending that I don't even know you  
And at sweet night, you are my own  
Take my hand

R: We're leaving here tonight  
There's no need to tell anyone  
They'd only hold us down  
So by the mornings light  
We'll be half way to anywhere  
Where love is more than just your name

2. I have dreamt of a place for you and I  
No one knows who we are there  
All I want is to give my life only to you  
I've dreamt so long I cannot dream anymore  
Let's run away, I'll take you there

R1: We're leaving here tonight  
There's no need to tell anyone  
They'd only hold us down  
So by the mornings light  
We'll be half way to anywhere  
Where no-one needs a reason

/: Forget this life  
Come with me  
Don't look back you're safe now  
Unlock your heart  
Drop your guard  
No one's left to stop you :/  
now

R: We're leaving here tonight...
