Evanescence

- 1. I hold my breath as this life starts to take its toll I hide behind a smile as this perfect plan unfolds but oh, God, I feel I've been lied to lost all faith in the things I have achieved and I
- R: I've woken now to find myself
 in the shadows of all I have created
 I'm longing to be lost in you
 (away from this place I have made)
 won't you take me away from me
- 2. Crawling through this world as disease flows through $\ensuremath{\mathsf{my}}$ vein s
 - I look into myself, but my own heart has been changed
 - I can't go on like this
 - I loathe all I've become
- R: I've woken now to find myself...

Lost in a dying world i reach for something more I have grown so weary of this lie I live

R: I've woken now to find myself...
