

Before The Dawn

Evanesence

Meet me after dark again and I'll hold you.
I am nothing more than to see you there.
And maybe tonight, we'll fly so far a way.
We'll be lost before the dawn.

If only night can hold you where I can see you
Then let me never ever wake again.
And maybe tonight, we'll fly so far a way.
We'll be lost before the dawn.

Somehow I know that we can't wake again from this dream.
It's not real, but it's ours.

Maybe to. We'll fly so far away.
We'll be lost before the dawn.
Maybe to. We'll fly so far away.
We'll be lost before the dawn.
