

# Breathe No More

Evanescence

1. I've been looking in the mirror for so long  
That I've come to believe my soul's on the other side  
All the little pieces fallen, shatter  
Shards of me, too sharp to put back together

Too small to matter  
But big enough to cut me into so many little pieces  
If I try to touch her

R: And I bleed, I bleed  
And I breathe, I breathe no more

2. Take a breath and I try to draw from my spirit's well  
Yet again you refuse to drink like a stubborn child  
Lie to me, convince me that I've been sick forever  
And all of this will make sense when I get better

I know the difference between myself and my reflection  
I just can't help but to wonder  
Which of us do you love

R: So I bleed, I bleed  
And I breathe, I breathe no  
Bleed, I bleed  
And I breathe, I breathe  
I breathe, I breathe no more
