

Cloud Nine

Evanesence

1. If you want to live, then live
if you want to go, just go
I'm not afraid to dream- to sleep, sleep forever

I don't need to touch the sky
I just want to feel that high
and you refuse to lift me

R: Guess it wasn't real after all
guess it wasn't real all along
If I fall and all is lost
it's where I belong

2. If you want to live, then live
if you want to go, just go
I'm never gonna be your sweet, sweet surrender

R2: Guess it wasn't real after all
guess it wasn't real all along
If I fall and all is lost
no light to lead the way
remember that all alone is where I belong

*: In a dream
will you give your love to me
beg my broken heart to beat
save my life
change my mind

R3: If I fall and all is lost
no light to lead the way
remember that all alone is where I belong
