## Evanesence

1. My black back pack's stuffed with broken dreams  
Twenty bucks should get me through the week  
Never said a word of discontentment  
And fought it a thousand times but now  
I'm leaving home

R: Here in my shadows  
I'm safe, I'm free  
I've no where else to go but  
I cannot stay where I don't belong

2. Two months pass by and it's getting cold  
I know I'm not lost I'm just alone  
But i won't cry I won't give up  
I can't go back now  
Waking up is knowing who you reeeeeaaally are

R: Here in my shadows...

In my shadows  
I'm safe, I'm free  
I've no where else to go but  
I cannot stay here no  
Show me the shadows when true meaning lies  
So much more is made in empty eyes
