

I Must Be Dreaming

Evanesence

How can I pretend that I don't see
What you hide so carelessly?
I saw her bleed
You heard me breathe
So I froze inside myself
And turned away
I must be dreaming

We all live
We all die
That does not begin to justify you

It's not what it seems
Not what you think
No I must be dreaming
It's only in my mind
Not in real life
No I must be dreaming

Help you know I've got to tell someone
Tell them what I know you've done
I fear you but spoken fears can come true

We all live
We all die
That does not begin to justify you

It's not what it seems...

Not what it seems
Not what you think
I must be dreaming

Just in my mind
Not in real life
I must be dreaming
