## Lies

## **Evanescence**

Bound at every limb by my shackles of fear Sealed with lies through so many tears Lost from within, pursuing the end I fight for the chance to be lied to again

You will never be strong enough You will never be good enough You were never conceived in love You will not rise above

R: They'll never see
I'll never be
I'll struggle on and on to feed this hunger
Burning deep inside of me

But through my tears breaks a blinding light Birthing a dawn to this endless night Arms outstretched, awaiting me An open embrace upon a bleeding tree

Rest in me and I'll comfort you I have lived and I died for you Abide in me and I vow to you I will never forsake you

R: They'll never see... (2x)
