

# Lithium

## Evanescence

R: Lithium, don't want to lock me up inside  
Lithium, don't want to forget how it feels without  
Lithium, I want to stay in love with my sorrow  
Oh, but God I want to let it go

1. Come to bed, don't make me sleep alone  
Couldn't hide the emptiness you let it show  
Never wanted to be so cold  
Just didn't drink enough to say you love me

I can't hold on to me  
Wonder what's wrong with me

R: Lithium, don't want to lock me up inside  
Lithium, don't want to forget how it feels without  
Lithium, I want to stay in love with my sorrow  
Oh  
Oh

\*: Don't want to lay me down this time  
Drown my will to fly  
Here in the darkness I know myself  
Can't break free untill I let it go  
Let me go

2. Darling I forgive you after all  
Anything is better than being alone  
And in the end I guess I had to fall  
Always find my place among the ashes

I can't hold on to me  
Wonder what's wrong with me

R: Lithium, don't want to lock me up inside  
Lithium, don't want to forget how it feels without  
Lithium, stay in love with me  
Oh I am gonna let it go.
