

## My Immortal

Evanescence

1. I'm so tired of being here  
Suppressed by all of my childish fears  
And if you have to leave  
I wish that you would just leave  
because your presence still lingers here  
And it won't leave me alone

R: These wounds won't seem to heal  
this pain is just too real  
there's just too much that time cannot erase

R1: When you cried I'd wipe away all of your tears  
when you'd scream I'd fight away all of your fears  
and I've held your hand through all of these years  
but you still have all of me

2. You used to captivate me  
by your resonating light  
but now I'm bound by the life you left behind  
your face it haunts my once pleasant dreams  
your voice it chased away all the sanity in me

R: These wounds won't seem to heal...

R1: When you cried I'd wipe away all of your tears...

I've tried so hard to tell myself that you're gone  
and though you're still with me  
I've been alone all along
