

My Last Breath

Evanesence

1. Hold on to me love you know i can't stay long
all i wanted to say was i love you and i'm not afraid aah
can you hear me? can you feel me in your arms?

R: Holding my last breath safe inside myself
are all my thoughts of you
sweet raptured light, it ends here tonight

2. I'll miss the winter, a world of fragile things
look for me in the white forest, hiding in a hollow tree (co
me find me)
I know you hear me, I can taste it in your tears

R: Holding my last breath...

*: Closing your eyes to disappear you pray your dreams will lea
ve you here
but still you wake and know the truth no one's there
say goodnight, don't be afraid, calling me, calling me as yo
u fade to
black
