Restless

Evanescence

- 1. She embraced with a smile
 As she opened the door
 A cold wind blows
 It puts a chill
 Into her heart
- R: You have taken away the trust
 You're the ghost haunting through her heart
 Past and present are one in her head
 You're the ghost haunting through her heart
- R1: Take my hand as I wander through
 All of my life I gave to you
 Take my hand as I wander through
 All of my life I gave to you
- R: You have taken away the trust...

R1: Take my hand as I wander through...
