

## Say You Will

Evanescence

It's taking you too long to decide  
and I don't want to be the one,  
the one crying over wasted time.

If you think you're strong enough to let me in,  
then come on,  
stand up and be honest, be honest.  
I'm tired of feeling so alone  
'cause you won't let me understand, let me understand.  
I don't want to pretend,  
I want to feel,  
I want to live.

Say you will or say you won't  
open up your heart to me.  
Now or never,  
tell me the truth.  
Is it real?  
Is it real?

Whenever you're around,  
I can't fight it.  
You get under my skin in a way that I like it.  
And I can't take anymore.  
Tell me what you want from me or leave me alone  
'cause I'm all caught up and I'm losing control.

I'm tired of holding on so tight  
when you won't let me understand.  
Now I'm falling apart.  
I never meant to lose myself.

Say you will or say you won't... (2x)

Like drops of rain against my heart  
cut through like silver.  
And I want to make you feel that way,  
and I want to make you feel the way that I do.

Say you will or say you won't... (2x)
