

Beyond The Stars

Evans Blue

Help me
Surrender my control
Searching for the death of my own soul
I bleed, but far beneath
My cover keeps the red from leaking
I'm bleeding on the inside
The fear before the fall
I'm 6 feet above the next time
I lose it all!

Keep your silence or
Reach for life beyond the stars
Save your mercy
For someone who needs it more
I'm the guilty
All the feelings come crashing down on me
I'm taking you with me

Help me
I'm losing on my own
Locked up in a cage
And not alone
Show me a way to keep
The hate from taking
Control I'm breaking
I'm bleeding on the inside
The fear before the fall
I'm 6 feet above the next time
I lose it all!

Taking you with me
I'm the guilty
All the feelings
Come crashing down on me
I'm taking you with me
I'm taking you with me
