

## Think Twice

EVE 6

When all is said and done  
And dead does he love you  
The way that I do  
Breathing in lightning  
Tonight's for fighting  
I feel the hurt so physical

Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around come around no more  
Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around no more

She spreads her love  
She burns me up  
I can't let go  
I can't get out  
I've said enough  
Enough by now  
I can't let go  
I can't get out

Wait till the day you finally see  
I've been here waiting patiently  
Crossing my fingers and my t's  
She cried on my shoulder begging please

Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around come around no more  
Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around no more

She spreads her love  
She burns me up  
I can't let go  
I can't get out  
I've said enough  
Enough by now  
I can't let go  
I can't get out

What is it you really want  
I'm tired of asking  
You're gone I'm wasted

When I showed up and he was there  
I tried my best to grin and bear  
And took the stairs but didn't stop at the street  
And as we speak I'm going down

Cause she spread her love  
And burnt me up  
I can't let go  
I can't get out  
I've said enough  
Enough by now  
I can't let go  
I can't get out

Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around come around no more  
Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around no more
