

Fire

Eve

Don't act like u don't about, i know u hear about me, E-V-E my ni
gga nothing's changed not eva' try to dout me. ima keep it comin
' bamming what would you do without me? people think im playin,
bette'a get ready cause im comin heavy. i just left before, bitch
but now i back up in it, had to get back in the game to deal wi
t some unfished bussise. what you thought i give it up, think i w
as done and over?, guess i done funkned up your' luck, betta call
some guliy clover.

Chours-all yall should know my name, E-V-E aint nothin" changed
all yall, all yall, all yall, all yall

see they eyes pop, why?, they was waitin for me tryin to figre ou
t what im doin this time. haters ready to cry, comin back really
ready even betta then before the first time and i feel alive ho
w can i not, still got my spot. im making moves while you be hopi
ng you can fill in my slot. babygirl, have to stop them dreams, go
t'a understand that i been bought up back the blocks and scemes
. know you sitting back, waitin contaplating all the ways you pla
n on stopin eve, well i can understand and i know i fustat, but y
ou been a fan love me from the 1st teast but you should give it
up , watch while i live it up, cause im never leaving premamentl
y. myspace.

how they 'popse to be, niggas they know me get yo head rigth 'fo
r you come funkinn' wit E-V-E.
