

First Lady

Eve

Yo, yo, yo
When I say Eve, y'all say Eve
Eve, Eve, Eve, Eve
When I say Eve, y'all say Eve
Eve, Eve, Eve, Eve

When I say Rough, y'all say Ryders
Rough Ryders, Rough Ryders
When I say Rough, y'all say Ryders
Rough Ryders, Rough Ryders

Now Eve's gonna take it there
Eve's gonna take it there
Eve's gonna take it there
Eve's gonna take it there

Eve's gonna make ya yell
Eve's gonna make ya yell
Eve's gonna make ya yell
Eve's gonna make ya yell

Eve's gonna make it clear
Eve's gonna make it clear
Eve's gonna make it clear
Eve's gonna make it clear

trouble now
trouble now
trouble now
trouble now

Run for cover now
Run for cover now

Told ya we'd shut 'em down
Told ya we'd shut 'em down
And we told ya we'd shut 'em down
Told ya we'd shut 'em down
And we told ya we'd shut 'em down
Told ya we'd shut 'em down

Don't say nothing now
Don't say nothing now
Don't say nothing now
Don't say nothing now

Don't say nothing now
Don't say nothing now
Don't say nothing now
Don't say nothing now

Now, now, now
Rough Ryders, Rough Ryders
Rough Ryders, Rough Ryders
baby, 2000
