

Betcha She Don't Love You

Evelyn "Champagne" King

Betcha she don't love you,... like you know I love you.
And I betcha she would never do, all the things I can do for you.

Did she buy you those furs?
Does she drive a new car?
Has it ever occurred to you baby, she might break your heart?

Oh, it won't be too long, like the calm that's before the storm.
She's gonna break your heart.

Betcha she don't love you, like you know I do.
And I betcha she would never do,
All the things I can do for you.

Did you tell her bout me?
Does she know about us?
How in the heat of the night oohhh baby, we've been making love

Uh,
You said my kiss was one of a kind.
And that my love was so hard to find.
She's gonna break your heart.

Betcha she don't love you, like you know I do
And I betcha she would never do,
All the things I can do for you.

Gonna betcha gonna betcha gonna betcha
She don't love you
Gonna betcha gonna betcha gonna betcha
She don't love you

(A bird in the hand is worth two in the bush)
(You don't miss your water, til the well runs dry)

Oh
It won't be too long, like the calm that's before the storm.
She's gonna break your heart.

Betcha she don't love you, like you know I do.
And I betcha she would never do, all the things I can do for you

Gonna betcha Gonna betcha Gonna betcha
She don't love you
Gonna betcha Gonna betcha Gonna betcha
She don't love you
Awww baby
Betcha Betcha Betcha Baby
Betcha she don't
Betcha Betcha Betcha Baby
Baby just don't be no fool!
