

# I Will Follow You Into the Dark

Everclear

Love of mine  
Someday you will die  
I will be close behind  
I'll follow you into the dark  
No blinding light,  
Or tunnels to gates of white,  
Just our hands clasped so tight  
Waiting for the hint of a spark

If heaven and hell decide  
That they both are satisfied  
Illuminate the "No"s on their vacancy signs  
If there's no one beside you  
When your soul embarks  
Then I'll follow you into the dark

And Catholic school,  
As vicious as Roman rule,  
I got my knuckles bruised  
By a lady in black  
And I held my tongue  
As she told me "Son,  
Fear is the heart of love,"  
So I never went back  
If heaven and hell decide  
That they both are satisfied  
Illuminate the "No"s on their vacancy signs  
If there's no one beside you  
At the time your soul embarks  
Then I will follow you into the dark  
You and me  
Have seen everything to see  
From Bangkok to Calgary  
And the soles of your shoes  
Are all worn down  
The time for sleep is now  
It's nothing to cry about  
'Cause we'll hold each other soon  
In the blackest of rooms  
If heaven and hell decide  
That they both are satisfied  
Illuminate the "No"s on their vacancy signs  
If there's no one beside you  
When your soul embarks  
Then I'll follow you into the dark  
Then I'll follow you into the dark
