Loser Makes Good

I hate waking up, it means that I have to die again tonight 35 years old and I'm still sleeping outside Yeah I think I know your face, I don't want to know your name I won't give in, I'm not like that, I won't give in You say it's Christmas Eve, that don't mean nothing to me Just another fucked up day, just another waste of time You wonder why I live like this, man you just won't understand I won't give in, I'm not like that, I won't give in You smart-ass college fuck Act like you think you're tall I was just like you More pride than you could know You think you pity me Hey I'll kick your ass if you pity me I won't give in, I'm not like that No I won't give in to you You college boy act like you think you're tall I won't give in, I'm not like that I won't give in
