

Rock Star

Everclear

I don't want to be
a loser...no!...
I don't want to be
an almost was
I don't want to be a white trash
Working class chump
I don't want to be a loser anymore

That's why I want to be
a rock star
I want to be the king
I want to be on top, yeah
I just want to be a rock star
Yeah...
now I just want to be famous
I want to be the guy
That everybody wants

I want to be on TV shows
And wear designer clothes
I want a girlfriend who does
not drink beer
I want to drive a fast car
And sleep with certain
movie stars
I want to sing the songs
That all those little people
Want to hear

I just want to be a rock star
I want to be like all those
people up in first class
I just want to be a rock star
I want to tell the little people
They can kiss my ass

I just want to be a rock star
I just want to get laid
I just want to be a rock star
A different girl
For every day

That's why I want to be
a rock star
Be like all those guys
on the MTV
I just want to be a rock star
I want to make those girls on
the Real World
Fantasize about me

I just want to be a rock star
I want to be the king
I want to be on top
I just want to be a rock star
I just want to be famous
Everybody everywhere

wants to be famous
and everybody everywhere
wishes they could tell
Everybody everywhere
to go to Hell

I just want to be a rock star
I just want to get high
I just want to party like
a rock star
Until the day I die

I just want to be a rock star
