

Sick and Tired

Everclear

I break every day stressed out in every kind of way
I am sick and tired of being sick and tired

All I need and crave is a loud life with the power to fade
I am living because I keep it all keep it all inside
Yeah I keep it all keep it all inside
Yeah I keep it all keep it all inside

Love won't work for me I want women who are out of my reach
I'm sick and tired of living all alone

All I need for sure is a big love with the power to make more
I am living because I keep it all, keep it all inside
Yeah, I keep it all, keep it all inside
Yeah, I keep it all, keep it all inside

I know I'm close to the fall
I know I'm dangerous
I'm afraid I'm going down
I blame my family, their damage is living in me
I am sick inside and tired of my life

All I need I swear is to go out with the power of a nightmare
I am living because I keep it all, keep it all inside
I keep it all, keep it all inside
Yeah, I keep it all, keep it all inside

I know I'm close to the fall
I know I'm dangerous
I know I'm not going down alone
I keep it all, keep it all inside
I know I'm close to the fall
I know I'm dangerous
I know I'm not going down alone
I'm not going down alone
